

Program Highlights

National Standards in Medical Registration *From Common Purpose to Best Practice*

5–8 June 2010

Marriott Vancouver Pinnacle Downtown
Vancouver, BC

Saturday, 5 June 2010

Annual Meeting of the Members (8:30 am to 9 am)

Annual Meeting of the Board of Directors (9 am to noon)

Roundabout Session (3 to 6:30 pm)

The session will feature brief presentations by the Member medical regulatory authorities. The Roundabout will be followed by a Welcome Reception from 6:30 pm to 9 pm.

Sunday, 6 June 2010

Session I — National Standards in Registration (8:30 am to noon)

Objectives:

By the end of the session participants will:

- 
- 1) Identify the unintended consequences that labour mobility frameworks can have on medical regulatory authorities' ability to conduct their core business, both at the national and international level;
 - 2) State the proposed national standards for registration and licensure for full and provisional licensure; and
 - 3) Describe the conditions, terms and restrictions on provisional licenses.

Speakers:

- 
- Mr. Niall Dickson, Chief Executive and Registrar, General Medical Council
 - Dr Yves Robert, secrétaire, Collège des médecins du Québec
 - Dr. Heidi Oetter, Chair, FMRAC Registration Working Group

Registration form and hotel reservation form can be found on FMRAC's website along with other pertinent information at

www.fmrac.ca/meetings-events

Session II — Issues in Regulation (1:30 pm to 5 pm)

Objectives:

Delegates will participate in small group sessions addressing three specific issues in medical regulation. Participants will have an opportunity to recognize the issue, reflect on how the issue applies to their work environment and collectively develop recommendations. Followed by the President's Reception & Dinner at 6 pm.

Monday, 7 June 2010

Session III — National Standards in Assessment and Supervision

Objectives:

By the end of the session participants will:

- 1) Describe the framework used in New Zealand to supervise international medical graduates;
- 2) Describe the proposed national standards for the assessment and supervision of physicians leading to full licensure; and
- 3) Identify and recognize the components required for building capacity to assess physicians entering into practice.

Speakers:

- Mr. Philip Pigou, Chief Executive Officer, Medical Council of New Zealand
- Mr. Dan Faulkner, Chair FMRAC Working Group on Assessment and Supervision
- Dr. Bryan Ward, President, FMRAC

Tuesday, 8 June 2010

Meeting of the Board of Directors — Environmental Scan and Priority-Setting (8:30 am to noon)
