National Standards in Medical Registration

From Common Purpose to Best Practice

4–8 June 2010

Marriott Vancouver Pinnacle Downtown
Vancouver, BC

*“To achieve great things, two things are needed;
a plan, and not quite enough time.” —Leonard Bernstein*

This meeting will enable information exchange and consultation among Members on how best to register all who are qualified to practise medicine in Canada. Best practices for occupational assessment and practice supervision will also be explored.

Program highlights

- special interest group meetings
- annual meeting of the Members
- Board of Directors meetings
- roundabout
- issues in medical regulation
- educational sessions

Registration form and hotel reservation form can be found on FMRAC's website along with other pertinent information at

www.fmrac.ca/meetings-events
